WDAMI follows USE & WDAA rules as guidelines and reserves the right to base decisions on disputes accordingly. WDAMI also reserves the right to have board vote prevail in matters concerning its awards process, awards decisions, membership, rules, and any other decision regarding WDAMI.

WDAMI awards may be changed by board vote during the show year to enhance the program. Awards are reviewed and updated at the end of the show year. Updates will be posted on the Western Dressage Association® of Michigan website: www.wdami.org.

WDAMI supports the use of tested and approved (ASTM/SEI) helmets. The decision to not use an approved helmet is solely the responsibility of the individuals in the event which they decide to participate.

To honor the horse, WDAMI recommends a three ride per day per horse limit. The USE/WD rule language with respect to the daily ride (WD 102.2) is as follows: "A Horse/Rider combination may enter no more than two consecutive levels, Freestyle levels included, at any one competition. Suitability, Hack and Equitation are excluded from the maximum limit of rides per day and horses in these classes may compete at any level for which they are otherwise eligible during the same competition. No horse may be ridden more than once in any Western Dressage class (including separate divisions or sections of the same class number). Horses cannot be ridden by more than two riders. Shows may further limit number of rides per horse and level if stated in their prize list. If there is a conflict with breed division rules regarding WD102.2, the breed division rules will govern." WDAMI appreciates your support of the recommendation.
